

Station activity worksheet

We've learnt a lot about train stations today. Can you remember what all the things we saw were called?

Write down what is in each picture below.

Answers:	Yellow line	Information board	Station	Escalators	Footbridge	Platform	Train doors
----------	-------------	-------------------	---------	------------	------------	----------	-------------

What is it?

What is it?

Station activity worksheet

Well done!

Now that we know what each image is can you explain why they are important to remember?
