

Are you Switched On and safe?

7-11 years

Using the line drawing as a starting point, answer the clues and questions on the slides to add in items to your station scene that help keep you **switched on** and safe.

Are you Switched On and safe?

7-11 years

Using the line drawing as a starting point, answer the clues and questions on the slides to add in items to your level crossing scene that help keep you **switched on** and safe.
