

ON A JOURNEY: OUTCOME TABLE

12-16 years

Now you have investigated the case study, use the outcome table below to explore each character and the decisions they made. Piece together the evidence and write what you think happened at the bottom of the table.

CHARACTERS	DECISION/CHOICE Which decisions did the character/s make that contributed towards the accident?	OUTCOME What happened as a result of their bad decision/inappropriate behaviour?	ALTERNATIVE DECISION How could they have made a more Switched On decision?	ALTERNATIVE OUTCOME Which risks could have been avoided?

ON A JOURNEY: OUTCOME TABLE

12-16 years

What do you think actually happened? Write your version of events here.
