

# Top tips for Staying Switched On for Every Journey

**SWITCHED ON!**  
for every journey

Stand behind the yellow line on a platform.

Stay alert, get rid of all distractions i.e. phones and music until on the train.

Do not cross a level crossing when the lights are flashing.

Do not go near the overhead line equipment.

When in doubt, pay close attention to the signs around you.

We can all enjoy life's adventures when we spot signs of danger, look out for our friends and always stay Switched On.
